

Don't Buy or Lease New Trucks Until You Talk to Us - We Can Save You Money.

Swap-Body System for Straight-Trucks:

► Reduces Costs

Two Fixed-Body Straight-Trucks

vs.

Demountable System

- ✓ A one cab-chassis, two body system can be purchased for around **30% LESS** than two straight-trucks
- ✓ Fewer drivers/workers required
- ✓ No more paying overtime to load or drive outside of normal working hours

► Eliminates Downtime

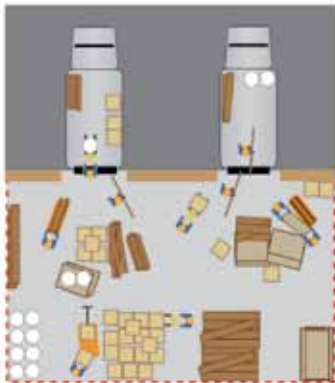

- ✓ 10 minutes to swap empty bodies for loaded ones
- ✓ Workers don't wait for trucks to return before loading
- ✓ Drivers don't wait while trucks are loaded

► Removes Clutter from Dock

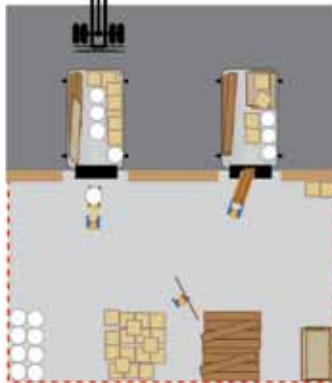

Two Fixed-Body Straight Trucks

Cluttered

Demountable System

Uncluttered

- ✓ Load directly into free-standing demountable bodies
- ✓ No more staging and rushing to load when trucks are present
- ✓ More time to plan loads
- ✓ Reduces product damage
