## Demountable Truck Body Systems

### Demountable System for Straight-Trucks

Load One Body

Deliver with Another

### Swap in Minutes

#### Maximize Efficiency

- Workers Don't Wait for Truck to Return to Load
- Drivers Don't Wait While Truck is Being Loaded
- Eliminate Overtime and Second Shifts - Load During Regular Working Hours
- Trucks Arrive Earlier at First Delivery
- Make More Deliveries Per Shift

#### Improve Operations

- Fewer Trucks - Less Labor Required
- Utilize Different Bodies Styles on Same Truck
- More Time to Plan and Load
- Free-Up Space on Loading Dock
- No Double Handling - Less Product Damage - Load Directly Into Freestanding Truck Bodies
